

vivo 2020 Global Campus Recruitment

Company introduction:

Vivo is a global company that specializes in the mobile Internet intelligent terminal and AI terminal technology R&D and application. Supported by its R&D centers and manufacturing bases in China (Dongguan, Shenzhen, Nanjing, Beijing, Hangzhou, Chongqing, Taipei), India, Indonesia, Japan and the United States (San Diego). Vivo has progressively entered the fields of smartphones and mobile Internet with sales in China, India, Southeast Asia (Indonesia, Malaysia, Vietnam, Thailand, Myanmar, the Philippines, and Bangladesh), Russia, etc.

Vivo develops dynamic and stylish products for passionate, energetic young people. We focus on creating smartphones that provide customers with the ultimate experience in both mobile photography and Hi-Fi audio. Apart from smartphones, Vivo also develops various apps and internet tools which are seamlessly integrated into our products. In the future Vivo's goal is to create a complete mobile internet ecosystem, comprehensively satisfying all user needs.
